

**Thursday, April 12, 2007**

**9-6pm – Tutorials, Talks**

**Friday, April 13, 2007**

**8-3:30pm - Talks**

**402 Walter Library**

**Preregistration Required**

**Speakers**

**Evan Bolton, PhD**

National Center for Biotechnology Information, NLM, NIH

**Lynda Ellis, PhD**

Laboratory Medicine & Pathology, UM

**George Karypis, PhD**

Computer Science & Engineering, UM

**Yiannis Kaznessis, PhD**

Chemical Engineering & Materials Science, UM

**Aron Marchler-Bauer, PhD**

National Center for Biotechnology Information, NLM, NIH

**Bernhard Palsson, PhD**

Bioengineering, UCSD

**George Vasmatazis, PhD**

Laboratory Medicine  
Mayo Clinic College of Medicine

This two day-long symposium supports the field of *bioinformatics* and its *UM Graduate Program*. It includes tutorials, world-renowned speakers, a poster session, and a lunch hosted by the *Bioinformatics Graduate Faculty*. There is no registration fee. However space is limited, so preregistration is required.
